CHAIR

Materials

Frame

polished chrome-plated or matt black powder-coated steel. Feet and spacer in thermoplastic material. The model with armrests is also available with an armrest cover in black plastic. Polished chrome-plated steel hook for side-by-side connection.

Rigid seat

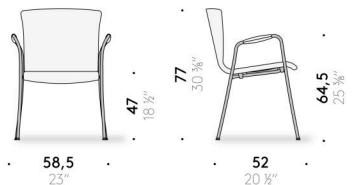

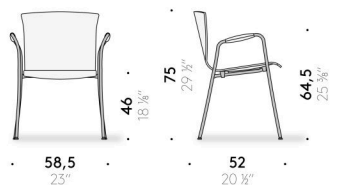

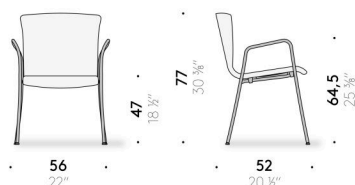

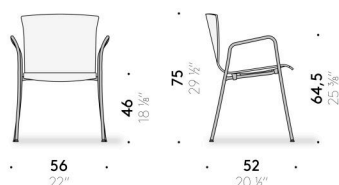

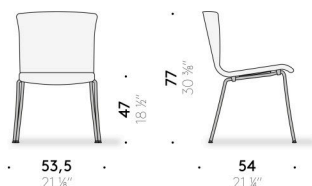

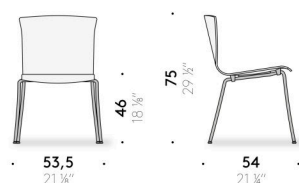

bent beech plywood, lacquered with anthracite-grey water-based or solvent-based coating, or with white laminate, with visible edge in beech plywood or veneered in natural maple, or in red aniline-dyed beechwood, finished with transparent water-based or solvent-based coating.

Upholstered seat

bent beech plywood, padded with polyurethane foam with light polyester velvet. For the FR (Fire Resistant) versions on request, the filling materials comply with the current regulations.

Cover

non-removable cover in fabric or leather.

SEDIA

Materiali

Struttura

acciaio cromato lucido o verniciato a polvere color nero opaco. Piedini e distanziatore in materiale termoplastico. Il modello con braccioli è disponibile anche nella versione con copribrafcio in materiale termoplastico nero. Gancio per collegamento laterale in acciaio cromato lucido.

Seduta rigida

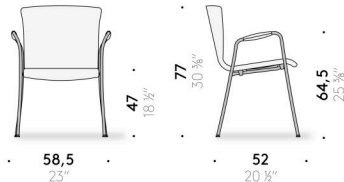

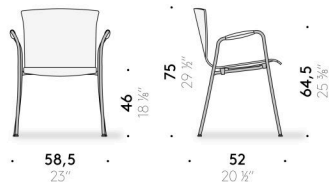

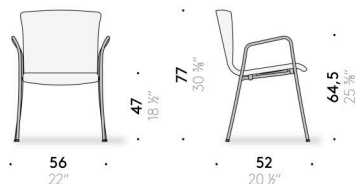

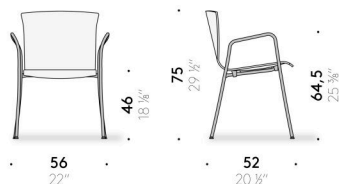

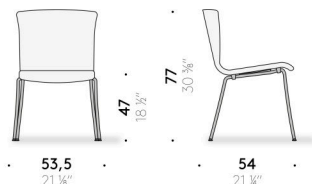

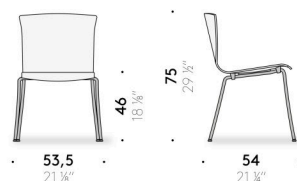

multistrato di faggio curvato, laccato con vernice color grigio antracite a base acqua o a base solvente, o rivestito in laminato bianco con bordo a vista in multistrato di faggio, o impiallacciato in acero naturale, o in faggio tinto all'anilina color rosso finito con vernice trasparente a base acqua o a base solvente.

Seduta imbottita

multistrato di faggio curvato, imbottita in poliuretano espanso con vellutino di poliestere. Per le versioni FR (Fire Resistant) a richiesta, i materiali dell'imbottitura sono come da normative.

Rivestimento

rivestimento fisso in tessuto o in pelle.
